## WOMAN ATTACKED BY TWO MEN AND SLAIN IN STREET

**Mrs. Mary Horn Beaten Over the Head with Blunt Weapon in Front of Tompkinsville Home—Her Two Children See the Murder.**

Brutally assaulted by two men in front of her home, No. 38 Tompkins avenue, Tompkinsville, late today, Mrs. Mary Horn started in pursuit of the men and fell dead after running a short distance.

There were several gashes under each of the woman's eyes and on her temple showing she had received serious injuries, made, the doctors say, with some blunt instrument.

The police are searching for the assailants, the ferries and railroads being carefully watched.

At the time of the assault Mrs. Horn's two children, aged six and eight years, were playing at the door, and they followed their mother, being the first to reach her as she staggered and fell dead.

Their cries were piteous as they declared, "Oh, mamma has been killed." The children said they could not identify the men who made the attack. Mrs. Horn was twenty-four years old and with her husband recently went from Jersey City to reside in the little home in Tompkinsville. Her husband had been promised a job on the Staten Island and electric railroad and was supposed to be working to-day. Whether he really went to work the police had not ascertained up to a late hour.

Last night, the neighbors say, the Horns had a party in their apartments and the guests did not depart until a late hour.

When the body of the dead woman was carried into the yard of the residence of J. W. Strupp, opposite which she had died, Dr. Peterson found the several bruises over the temple and under the eyes.

These, he said, had been inflicted by some blunt instrument. The coroner was notified, and the police put a cordon, net in the hope of catching the two men who can be identified by several witnesses to the attack.

## CHILD FALLS 200 FEET OVER THE PALISADES

**Playing Near Edge of Cliff She Tumbles Over and Is Alive When Found.**

Frances Buchanan, two and one-half years old, fell over the Palisades at Monticello road, West Haverstraw, today, and was found alive when she was taken to the hospital for the little girl.

**GRAVESEND RACE TRACK, Sept. 14.**—The fact that winners are hard to find does not seem to thin the attendance very much at Gravesend.

The favorite-players are the only ones who find their bank rolls feeling away. The attendance keeps up wonderfully well under the circumstances, and there was a good crowd on hand to-day.

Heavy fields were the rule, and winners looked more impossible than ever except to those who shoot at the moon in their speculations.

The stake feature was the Bayshore stakes, with a large field of fast horses engaged.

The weather was fine and the track fast.

**GRACFUL TINGED IN.**

Marjoram was a red hot favorite in the opening dash, but second was the best she could do. Gracful, a 20 to 1 shot, made to the front, opening a gap of half a dozen lengths and won by a half dozen lengths from Marjoram, which beat Diamond Flash in a dead drive.

Ingleside Won by a Rush.

Neotomo made the early running in the second, followed by Blbery, Ingleside.
